Thank you Janelle. So ASPECT did not fly any facilities in Port Arthur or Corpus Christi?

Eric- here is a list of the facilities the TAGA busses will monitor. Please have the TAGA data /Maps overlay these to see which ones we flew already.

Hi all:

Attached is the TAGA facility list with addresses, lat/longs, and FRS numbers. There are still a couple of gaps but I will continue to research them, as will the team.

As a reminder, green facilities are "must do" and red facilities are optional.

Thanks so much,
Margaret

Hi Craig and Bryant:

We've put together
the attached revised
TAGA plan. I'm
happy to participate
on any planning or

this afternoon or this
weekend. Just let
me know. The team
plans to scope out
the facilities and
routes tomorrow.
They're also willing
to scout out routes
in person ahead of

the TAGAs if
necessary.

We're fine with the
chemicals that the
TAGAs are capable
of measuring.

If you're comfortable
with the plan, can
you forward to the
TAGA teams and
anyone else who
needs to have it?
